

# End-User Advisory Group

## **Purpose**

The End-User Advisory Group of PBSA is established to act as an advisory body to staff and the Board of Directors on issues relating to end-users of consumer reports (the advisory group is primarily composed of employer end-users initially).

Mission: Support dialogue, information and experience sharing, decision making, and networking among experts, interested individuals, businesses, and governmental and nongovernment organizations to achieve best practice for background screening. Advocate, educate and support initiatives to promote a more effective, transparent, and efficient background screening system.

Vision: An equitable and effective system in place to ensure that individuals, businesses, governmental and nongovernmental organizations have sound and reliable background screening and hiring practices.

## **Reporting**

The End-User Advisory Group will report to the Board of Directors.

## **Meetings**

The End-User Advisory Group will meet monthly, as well as on an as-needed basis to discuss issues relating to end-user member concerns.

## **Configuration**

The End-User Advisory Group Chair term limit is typically two years.
